Residential on 0.00 Acres

Sage Hill, Calgary, Alberta

Top-floor, sun-drenched 2 bed/2 bath in Sage Hill with modern finishes and an easy, open flow. The showpiece kitchen centers on a huge island—great for meal prep, laptops, and late-night snacks—with in-suite laundry to keep life simple and tidy. A sprawling balcony extends your living space outdoors—morning coffee, sunset hangs, or a quiet work call with a view.

Parking is a major win: two titled stalls—one heated underground for winter and one surface stall right near the entrance for quick in-and-out convenience. First-time buyers will love the low-maintenance lifestyle, investors will appreciate the rent-ready layout, and young professionals will be into the modern vibe, top-floor privacy, and extra sunlight.

Location perks? Everyday essentials are at your doorstep—Sage Hill Quarter (Calgary Co-op, Shoppers, services, and bites) and Sage Hill Crossing (Walmart and more), with Costco in Beacon Hill just a short drive for bigger shops. If you're a dog walker, you'll love the network of community pathways that loop around ponds and green spaces—perfect for daily laps and weekend strolls.

Weekend escape plan: the Rockies are calling—about 1 hour to Canmore and ~1 hr 15–30 min to Banff (traffic dependent). Mountain coffee runs, anyone?

If youâ€™ve been waiting for â€œthe oneâ€• thatâ€™s truly move-in readyâ€”with light, style, an oversized balcony, and real-world convenienceâ€”Unit 4408 delivers. Come see how this top-floor perch turns daily routines into something a little more special.
